SHekau Boko Haram leader speaking opened without feared?  
Shekau truely is not a ghost but can be seen visible and is he still alive in Nigeria to day?  
Where did he get this weapons more than our security personnel?

One of the setback we are facing today, is the lack of professionalism between both from our arm forces and the journalists is giving this fools of bunch of bastards the attention they desperately want, stop sharing their videos online, stop recognizing them with the name they want to be called, generalized them as terrorist always
