JAMAICA.

EXTRACT of a Letter from His Grace the Duke of MANCHESTER to the Earl Bathurst, dated King's House, JAMAICA, the 17th of March 1823.

“ I HAVE the honour to transmit to your Lordship, in compliance with the Resolution of the House of Commons of the 3d of August last,”—

“ A Return of the number of Slaves imported under licences, or otherwise, since the 1st of January 1808; distinguishing each year, and the sex of the Slaves so imported, together with the places from whence they were brought.”

“ A Return of the number of Slaves exported, or otherwise, since the 1st of January 1808; distinguishing each year, and the sex of the Slaves exported, and specifying the places for which they were cleared out.”

“ These Returns are complete with the exception of Port Maria, the Officers of the Customs there having not made the returns as they were directed to do.”

“ Also, a Return of all Manumissions effected by purchase, bequest, or otherwise, since the 1st of January 1808; distinguishing each year, and the sex of the persons manumitted, together with a statement of the amount of the Tax or Fine imposed on each Manumission.”

“ Also, a Return of the number of Marriages legally solemnized between Slaves, and also between free black or coloured Persons, since the 1st of January 1808; distinguishing each year,—with the exception of those solemnized in the parishes of St. Catherine and Westmoreland, the rectors of which parishes are absent.”

“ Also, a List of all Persons committed to Gaols or Workhouses as runaways, but who declared themselves to be free, since the 1st of January 1808; with an account of the final disposal of such Persons.”

“ This Return is confined to the parishes of St. Thomas-in-the-East, and St. David, Portland, St. George, Port Royal, St. Mary, St. Elizabeth, St. James, and Westmoreland, the remaining parishes not having yet made any return.”

“ Also, a Return of the Slaves escheated to the Crown since the 1st of January 1808; distinguishing each year, and the Males from the Females; and stating the manner in which they have been disposed of, and if they have been sold, the manner and proceeds of their sale.”

“ Also, a Return of the Population in each year, from 1812, inclusive, to the latest period to which the same has been made up, with the number of births and deaths in each year; distinguishing the white, and the free black or coloured, from the slave population; distinguishing also the sexes, and, as far as the same can be ascertained, the number of those below ten years of age, from the number of those above that age.”

“ This Return is confined to the parishes of Portland, St. George, St. Thomas-in-the-East, St. Elizabeth, Westmoreland, and St. James, the remaining parishes not having yet made any return.”

“ Also, a Return of all Slaves taken and sold under execution for debt, in each year from the 1st of January 1818, inclusive, till the latest period to which such Return can be made.”

“ I have been unwilling that any further delay should take place in furnishing your Lordship with these Returns, even in their present imperfect state: But with respect to that which relates to the Population in each year from 1812, I really know of no materials from which such Return could be made with any degree of accuracy.”

(No. 1.)—A RETURN of the number of SLAVES imported under Licences, or otherwise, since the 1st of January 1808; distinguishing each Year, and the Sex of the Slaves so imported, together with the Places from which they were brought.

A Return of the Slave Population of St. Elizabeth, from 1817 to 1820.

Slaves under eight years of age	1,691	1,733	3,424

It appears from the above that the Returns in 1820 were less, upwards of 500, than the number returned in 1817; this arose from the removal of Slaves from this parish to other parishes, also from Slaves transported and manumized; as the natural increase between June 1817 and June 1820 was 325 Slaves.

“ No entry is made at the Custom-house of Slaves imported or exported, under the licence prescribed by the 46 Geo. III. c. 52, s. 13; for Slaves being no longer an article of Merchandize, it seemed most proper to consider them as Passengers, from and after the Abolition of the Slave Trade.”
