GLOBAL RESOURCES NETWORK

The Center for Research Libraries scans to provide digital delivery of its holdings. In some cases problems with the quality of the original document or microfilm reproduction may result in a lower quality scan, but it will be legible. In some cases pages may be damaged or missing. Files include OCR (machine searchable text) when the quality of the scan and the language or format of the text allows.

If preferred, you may request a loan by contacting Center for Research Libraries through your Interlibrary Loan Office.

Rights and usage

Materials digitized by the Center for Research Libraries are intended for the personal educational and research use of students, scholars, and other researchers of the CRL member community. Copyrighted images and texts may not be reproduced, displayed, distributed, broadcast, or downloaded for other purposes without the expressed, written permission of the copyright owner.

PRINTER'S NOTE

The Printer wishes to draw attention to the many variations in the graphic quality of this series: broken type, ink set-off, poor impression and background blemishes are to be found in the original copy.

Every effort has been made to minimise these faults and to make the reprint copy as legible as possible.

PUBLISHER'S NOTE

The Irish University Press Series of British Parliamentary Papers is a facsimile reproduction. The original documents in this volume have been reproduced by photo-lithography and are unabridged even to the extent of faithfully retaining the printer's imprint.

The contents of this volume have been printed in their entirety by Robert Hogg, Printer to the Irish University Press, Shannon, Ireland.

As a result of the arrangement of the documents in subject sets and of the bringing together in a single book of a number of papers, some volumes in the Irish University Press Series may include the imprints of more than one printer.
